Running forward

The Pantum Smart Simple/Smart Infinite series, perfect for SOHO and SMB, offers effortless setup, user-friendly operation, and compact appearance. Experience seamless printing and convenient connectivity with PCs and mobile devices.

Great Performance,
Quick response

Boost Your Efficiency with
Seamless Operation

Small and Impact Design

Saving Resources without
Sacrificing Performance

Environmental Friendly

GREAT PERFORMANCE QUICK RESPONSE

Rapid First Page Out & High-Speed Printing

Get your first page out in just 7.8 seconds and enjoy a print speed of up to 22 ppm, perfect for shared use and daily print demands.

Enhanced Visibility for Bill Copies

Automatic deepening of text color for clear and visible copying of bills.

Accurate Batch Scanning with 35-Page ADF

Streamline document management with the 35-page automatic document feeder, ensuring precise and productive scanning and copying.

High-Yield Toner for Less Frequent Replacements

Print up to 1,600* pages with a single toner cartridge, reducing the frequency of replacements and lowering your cost per page (CPP).

*Approx declared yield value in accordance with ISO/IEC 19752 and continuous printing
Individual users will experience different results affected by different printing habits and printing environment.

BOOST YOUR EFFICIENCY WITH SEAMLESS OPERATION

Instant Driver Setup in One Click

Eliminate setup headaches with a straightforward, one-click driver installation process, getting you ready to print in no time.

Print on the go with mobile solutions

Enjoy convenient printing from your smartphone or tablet using AirPrint, Mopria, and the Pantum app

* Apple, AirPrint Mac and macOS are trademarks of Apple Inc., registered in the U.S and other countries. Use of the Works with Apple badge means that an accessory has been designed to work specifically with the technology identified in the badge and has been certified by the developer to meet Apple performance standards.

* Mopria makes it easier to print and scan from your Android and Windows. For Android, Mopria™ Print Service and Mopria Scan are available for installation in the Google Play™ store. If you want to get more information, please visit <https://www.mopria.org>. The Mopria™ wordmark and the Mopria™ Logo are registered and/or unregistered trademarks of Mopria Alliance, Inc. in the United States and other countries. Unauthorized use is strictly prohibited.

Minimized Paper Jams for Smooth Workflow

Benefit from a streamlined paper path and a large-diameter paper roll design that ensures smooth paper handling and fewer interruptions.

Easy Toner Replacement for Uninterrupted Productivity

110-degree wide-angle top cover and one-piece toner cartridge design ensure swift, hassle-free cartridge replacement.

SMALL AND IMPACT DESIGN

Space-Saving and Aesthetic Appeal

The A4-sized, aesthetically pleasing body with rounded corners saves space and blends seamlessly into any home or office setting.

Intuitive User Interface for Effortless Use

Accessible controls and a front cancellation button on single-function printers, plus a 2-line LCD adjustable panel on multifunction models, offer ease of use from any angle.

SAVING RESOURCES WITHOUT SACRIFICING PERFORMANCE

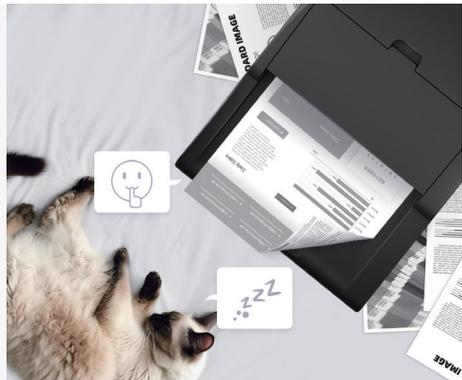

Toner-Saving Mode for Budget-Friendly Printing

Opt for lighter prints to maximize cost savings without compromising on quality—a smart choice for budget-conscious users.

Energy-Saving Sleep Mode

Automatically enters sleep mode after a customizable period of inactivity, conserving energy and prolonging printer lifespan by powering down non-essential components.

ENVIRONMENTAL FRIENDLY

Power-Saving Mode Reduces Energy Consumption

The energy saving mode provides significant power savings and a corresponding reduction in CO2 emissions, contributing to energy-saving and emission reduction.

Eco-Friendly Toner for a Greener Office

Utilize P*210 toner cartridges made from premium, environmentally friendly materials. Reduced powder usage and low-ozone emissions thanks to Pantum's contact roller charging system, creating a minimally impactful environmental footprint.

*Pantum's contact roller charging system

SMART SERIES
